Notes from the Chairman and Committee

"Kindly Leave the Stage" is in the final days of rehearsal. Barbara is battling the somewhat usual problems of words and not having a full cast at all rehearsals. However, all will be well on the night! We shall be making a donation to Hospice in the Weald from the proceeds.

Once again, Rotary will be bringing along some elderly Theatre-goers on the Thursday evening performance.

The club Website is improving day by day and tickets are now being sold via the internet and, of course, via Carillon Cottage as usual. This is a brand new venture for us and there will no doubt be a few teething troubles but all is going well at present.
