

Aladdin Vocal Auditions

Genie

Please prepare the audition cut of **'Right Hand Man'**, which can be found at the link below. You **do not** need to perform it from memory.

Lead Roles

Please prepare approximately **90 seconds of a song in any style**. Choose something you enjoy singing and that shows us what you can do! You do not need to perform from memory.

You can sing:

- **With a backing track** – please have it ready on your phone and cued to the correct starting point.
- **With piano accompaniment** – please send a copy of your music, clearly marked with the section you'll be singing, to Hatty at hattyphilips@me.com by **7th October**. If you are auditioning on 5th October, please use a backing track.
- **Unaccompanied** – you're also very welcome to sing without accompaniment.

Ensemble – if you'd like to be considered for a solo

If you'd like to be considered for a solo line in any of the musical numbers, please prepare approximately **60 seconds of a song**, following the guidance above.

Ensemble – no solo required

If you'd just like to be part of the ensemble and don't want a solo, you'll be asked to sing a couple of lines of **'Do Your Ears Hang Low?'**

And please don't worry if you're not comfortable singing on your own – you'll be able to sing in a small group instead. **We mainly want to see your energy and enthusiasm!**
